

Carey E. Priebe
Department of Applied Mathematics and Statistics
Johns Hopkins University
cep@jhu.edu

<http://www.ams.jhu.edu/~priebe/>

Ph.D., George Mason University, 1993
Professor, Johns Hopkins University, 1994-present

Research Interests:

computational statistics, kernel and mixture estimates, statistical pattern recognition, dimensionality reduction, model selection, statistical inference for high-dimensional and graph data

Refereed Journal Publications:

<http://www.cis.jhu.edu/~parky/CEP-Publications/journal.html>

Selected Submitted Papers:

<http://www.cis.jhu.edu/~parky/CEP-Publications/submitted.html>

Current & Former Graduate Students:

<http://www.ams.jhu.edu/~priebe/students.html>
