

Carey E. Priebe  
Department of Applied Mathematics and Statistics  
Johns Hopkins University  
cep@jhu.edu

<http://www.ams.jhu.edu/~priebe/>

Ph.D., George Mason University, 1993  
Professor, Johns Hopkins University, 1994-present

#### Research Interests:

computational statistics, kernel and mixture estimates, statistical pattern recognition, dimensionality reduction, model selection, statistical inference for high-dimensional and graph data

#### Refereed Journal Publications:

<http://www.cis.jhu.edu/~parky/CEP-Publications/journal.html>

#### Selected Submitted Papers:

<http://www.cis.jhu.edu/~parky/CEP-Publications/submitted.html>

#### Current & Former Graduate Students:

<http://www.ams.jhu.edu/~priebe/students.html>

#### Selected Awards:

- \* Fellow of the ASA (American Statistical Association)
- \* Fellow of the IMS (Institute of Mathematical Statistics)
- \* Elected Member of the ISI (International Statistical Institute)
- \* Senior Member of the IEEE (Institute of Electrical and Electronics Engineers)
- \* Office of Naval Research Young Investigator Award (1995)
- \* National Security Science and Engineering Faculty Fellow (2008-2012)
- \* Erskine Fellow at the University of Canterbury, Christchurch, New Zealand (2009)
- \* American Statistical Association Distinguished Achievement Award (2010)
- \* McDonald Award for Excellence in Mentoring and Advising (2011)
- \* Erskine Fellow at the University of Canterbury, Christchurch, New Zealand (2013)
- \* Heilbronn Distinguished Visitor in Data Science at the University of Bristol, England (2019)

#### Selected Service:

- \* Organizer, North American Meeting of New Researchers in Probability and Statistics (1999)
- \* Chair, Institute of Mathematical Statistics (IMS) New Researchers Committee (1998-2000)
- \* IMS representative to the Conference Board of the Mathematical Sciences (2000-2003)
- \* President, Computing Science and Statistics: Interface Foundation of North America (IFNA) (2001-2004)
- \* Chair, American Statistical Association (ASA) Section on Statistical Computing (Elected 2002)
- \* Vice President International Association for Statistical Computing (IASC/ISI) (Elected 2007-2009)
- \* Associate Editor, Journal of Computational and Graphical Statistics
- \* Associate Editor, Computation Statistics and Data Analysis
- \* Associate Editor, Computational Statistics
- \* NSA: I served on the National Security Agency Advisory Board Mathematics Panel from 2006 through 2018

#### Grantsmanship:

- \* Constant funding as Principal Investigator since 1996  
from NSF, DARPA, ONR, AFOSR, NIH, NSSEFF, MSR, industry, etc.
